~~Krishnarajasagara—High-Level Canal~~—Acquisition of lands

SIR,

I have the honour to forward herewith for favour of sanction and publication in the *Mysore Gazette*, Declaration Statements in duplicate both in English and Kannada, in respect of the acquisition of properties noted therein, of Mandya village of Mandya Taluk required for the extension of the New Mandya Town

2 The estimated cost of acquisition of these lands, ~~viz, Rs.~~ , will be met out of the ~~allotment made under Compensation in the Estimate for the High Level Canal~~ the funds at the credit of the Municipal Council in first instance and recovered after the sale of the sites

3 The preliminary notification as per Sec 4 and the hearing of objections under Sec 5 A of the L A Regulation as amended by Regulation I of 1927 are unnecessary as the lands have already been demarcated and measured and the need is obvious and urgent, and therefore may kindly be ordered to be done away with

4 As the work is of an urgent nature and as delay is likely to occur if possesion is to be taken only after the passing of award I request that sanction may also be obtained to take possession of the said properties under Sec 17 of the L A Regulation

5 The ~~Special Land Acquisition Officer, Krishnarajasagara~~ Sub Division Officer ~~French Rocks~~ Sub Division Mandya may be appointed to perform the functions of a Deputy Commissioner under the Land Acquisition Regulation, and authorised to take order for the acquisition of the land in question

6 Twenty five copies of Kannada Declaration Statements may, it is requested, be kindly arranged to be supplied to the ~~Special Land Acquisition~~ Sub Division Officer, Mandya from the Government Press

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,

It is not clearly made out that the proposed acquisition is of such an urgent nature as to dispense with the formalities to be gone through, according as required by Sections 4 and 5 A of the Land Acquisition Regulation Submitted for orders if

6) Returned with compliments to the General Secretary to the Government of Mysore.

7) The growth of the new Mandya extension along the main trunk road through Mysore to Ootacamund is one of the most commendable achievements of the Mandya Municipality in the last few years The houses constructed are neat, durable and spaciously arranged so that there is an air of permanency about the extension Side drains have been constructed and the main drainage system is under consideration In view of the rapid development already demonstrated by those responsible for the extension, the opening up of the new land to the East of the present extension along the Mysore Road should be sanctioned and the Municipality encouraged to continue its good work in this direction

8) The site selected for the new extension includes a high spot which commands the present ~~old~~ extension and most of the town An area of about one acre at this highest point should be reserved for a water supply reservoir of the new water supply system for Mandya which it is hoped will soon be under execution.
